Clean diesel fuel and methods of producing clean d

12-Sep-2000   IPCOM000001533D   Englisl

A low emissions "clean" diesel fuel and methods of producing a fuel are provided. In one aspect, this invention relates to a met producing a diesel fuel which provides reduced, or at least subs equivalent, emissions of oxides of nitrogen ...

Method of infusion of fruit

12-Sep-2000   IPCOM000000945D   Englisl

A method of infusion of fruit is provided. Dried fruit is hydrated fructose prior to infusion with a solution of fructose. The rehydr raises the ratio of fructose to dextrose of the fruit which improv organoleptic qualities and stability of ...
